The 54th Annual General Meeting

CHAIRMAN'S STATEMENT

Dear Wahyanites,

It has been a monumental year for our Alma Mater and the WYKPSA with everyone actively preparing for the Centenary celebrations. As we close out the year, I would like to put into words what the WYKPSA Executive Committee and Members have accomplished together. As I glance through these events, I feel sincerely grateful to our members for the continued support. It has been a pleasure serving you and our Alma Mater alongside brothers in the Executive Committee.

Supporting the School

The WYKPSA has always shown unwavering support to our Alma Mater and this year has been no different. Our Executive Committee, along with the respective organizing committees, has been diligently working on a number of Centenary celebration events, including the Gala Dinner, the Heritage Programme, the Oral History Programme and the 2024 Wah Yan International Reunion/International Conference. I am confident that together we will create incredible memories for the 100th birthday of our Alma Mater.

Serving the alumni

We are thrilled to have continued on a number of bedrock events for WYKPSA, including the Spring Dinner, when we hosted our Jesuit fathers, School Principal, various teachers, alongside 200 alumni at K11 Club One in February; and the Wah Yan League, with a total of 27 teams across three competitive divisions competing from December 2023 all the way to June 2024, enabling Wahyanites of different generations to mingle and cherish their school life but also encouraging a will to keep themselves at the top of their games throughout the season. We always treasure the opportunity to organise these events to celebrate the friendships that were fostered at Wah Yan.

This year much effort has also been put into organising interest events for our Members with the aim of allowing brothers from various cohorts to gather together in a less formal environment whilst exploring or furthering their interests. From hiking trips to wine tasting events, we hope that there will be many more interest events for everyone in the years to come.

Equally important was the Form 1 admission talk organised to provide alumni with reliable insight

Wah Yan College Kowloon Past Students' Association Ltd.

56 Waterloo Road, Kowloon

into how they may help their young sons become next-generation Wahyanites.

I would also like to shed light on our six old boys fraternities – Finance, IT, Legal, Medical, Psychology and Real Estate. It goes without saying that fraternities are effective platforms for Wahyanites in different professions and aspiring students to network. I would like to thank our fraternity coordinators for your years of hard work providing platforms for our brothers, empowering their businesses and giving younger brothers their head-starts through life-long mentor relationships.

Connecting with current students

The success of fraternities has inspired various new initiatives, including The Brotherhood Scheme – The Speakers Series, the Alumni Mentorship Program and various career talks. These initiatives celebrate our alumni's accomplishments but also manifest to younger Wahyanites how one might go about with their careers. I certainly hope that the generous sharing with our younger Wahyanites can continue in the spirit of passing the torch to next generations.

These additions accompany our usual, unwavering support for current students, including supporting Students' Association and Music Association events financially and providing advice where sought. Last but not least, the overseas visit by the Student Ambassador will resume in this summer following a 5-year pause. We are enthusiastic about supporting young Wahyanites' journeys and hold strong belief that this is an important mission for the WYKPSA.

Expressing my gratitude

Our Executive Committee comprises old boys from '75 - '21 – this is a good mix of experience and new blood that propels the WYKPSA with ambition and stability as we celebrate the Centenarian milestone of our Alma Mater. My deepest thanks to School Supervisor, Principal, our Executive Committee, Past Chairmen and our Members for all your continued support. I am confident that the WYKPSA will continue to excel in its roles in many more years to come.

May God bless you all.

HONORARY SECRETARY'S REPORT (2023-2024)

The Executive Committee (referred as EXCO hereafter) of the Wah Yan College Kowloon Past Students' Association Limited (referred as WYKPSA hereafter) for the session 2023-2024 was elected on 24th June 2023 in the 53rd Annual General Meeting of the WYKPSA.

The standing functional units and committee (2023-2024) are listed as follows:

- Centenary Celebration Unit
- Membership Unit
- Recreation & Interest Group Unit
- Sports Unit
- Communication Unit
- Mentorship Unit
- Social Service Unit
- Article Review Committee
- Secretariat
- Treasury

With much enthusiasm and efforts from both EXCO and non-EXCO members of the WYKPSA, the WYKPSA successfully organized a variety of activities and projects as reported herein.

Reports from the Functional Units

Centenary Celebration Unit

- *Centenary Gala Dinner*

Tom Ho ('81) served as the Chairman of the organizing committee of the WYK Centenary Gala Dinner which consists of members from different stakeholders including alumni, teachers and parents. Due to the overwhelming response, the venue has finally been fixed at the Hong Kong Convention and Exhibition Centre on 20th December 2024, which can accommodate all Wahyanites under the same roof. The committee has been working hard to finalize the programmes so to bring out the best in this once-in-a-lifetime grand gathering of Wahyanites.

- *WYK 100 Editorial and Oral History Sub-Committee*

Under the leadership of Professional Kwok Siu Tong Edmund ('65), a sub-committee "WYK Editorial and Oral History Sub-committee" has been set up under the school's 100 Heritage Development Project. It aims to consolidate, as far as possible, a collective memory of the

hundred years' experience of the staff, and students to better appreciate the heritage and culture of the College. Interviews have been conducted with our teachers, staff and alumni to share their Wah Yan stories; aiming at issuing an anniversary publication in 2025. Tom Ho ('81) and Monty Fong ('83) have been representing the PSA to serve in the sub-committee over the year

Membership Unit

Chris Li ('07) and Monty Fong ('83) served as the Chairmen of the Membership Unit this year. Over 130 new members were recruited in this year, most of registration were received in the S.6 Graduation Dinner and Speech Day in July 2023.

By the end of April 2024, the WYKPSA had 9806 members in total and the ranges of which are from class 1953 to class 2023. However, only 2692 of them were reachable in our contact database. Building up a complete membership database was always our goal, the WYKPSA was planning to update the contact information of all members by class representative.

Recreation & Interest Group Unit

Vincent Leung ('09) served as the Chairman of the Recreation and Interest Group this year. The group has organized two wine tastings, a whisky tasting and a latte art class with over 50 participants attended the events. The events have not only piqued the interest of the participants in wine, whisky and latte art but also gathered alumni from different generations, who shared their times at school, and serve as an additional platform for all to keep up to date with the developments of the school and strengthen the bonding of the alumni community.

Sports Unit

Eric Chan ('04) served as the Chairman of the Sports Unit this year. Building on a sound foundation and the strong interest generated by past Wah Yan League tournaments, this year's competition has attracted 27 football teams to participate. After months of meticulous planning and organizing, the Tournament kicked off in early January 2024 and is expected to conclude before July 2024.

We are deeply grateful to all those who have contributed to the Tournament:

- Our school, for allowing us to enjoy its beautiful soccer pitch.

Wah Yan College Kowloon Past Students' Association Ltd.

56 Waterloo Road, Kowloon

- Mr. Lam Ho Fung, our school Sports Master, for his unwavering support for the Wah Yan League throughout the years.
- The Tournament Organizing Committee, ExCo members, and other supporters and volunteers from WYK and WYHK.
- Our team of referees.
- All 27 team captains and managers, and players.
- Our match supervisors.
- The exceptionally helpful guards and school facility staff.

Your combined efforts and dedication have made this Tournament a reality. Thank you.

Communication Unit

Markus Au Yeung ('13) served as the Chairman of the Communication Unit this year. From June 2023 to May 2024, the official Facebook page was regularly updated, ensuring timely communication and engagement with the community. The official website was also revamped with a new, modern style and consistently updated with the latest information and events. The smooth and efficient operations of both the website and Facebook page were maintained, ensuring their reliability as primary communication channels. Notably, efforts to increase community interaction through the Facebook page significantly contributed to the WYKPSA's online presence and outreach.

Mentorship Unit

Anthony Chan ('89) served as the Chairman of the Mentorship Unit this year. One of the goals of the mentorship team is to build brotherhood among our senior graduates. Thus, we decided to organize seminars by inviting alumni back to the school to share knowledge in their professions. During the past year, we have organized three seminars which including:

1. Mr. Edward Chan ('93), a music director, to share his development road in music and family.
2. Mr. Amos Cheung ('97), a clinical psychologist, to share how one could live more mentally healthy.
3. Mr. Joshua Li ('10) and Mr. Ares Shum ('15), as physiotherapists, to share how rehabilitation can be conducted for physical issues arising from aging, work, and sport injury.

Secondly, for existing students in WYK, the mentorship team has invited fifteen alumni back to the school on April 19 to give a career talk on six major industries in Hong Kong (namely finance, IT,

Real Estate, Medical, Legal, Media) to our Form 4 students. Besides, to open the eyes of our fellow students, the team had also organized two site visits to them which included:

1. Dairy Farm Group.
2. Link REIT.

Thirdly, with the help of another three university students, namely, Thomas Kwan ('22), Howard Ngan ('22) and James Lo ('23), the team designed a mentorship + internship program for our alumni who are currently studying in universities. We hope this program could be rolled out in late June to mid-July.

Finally, we would like to express my heartfelt gratitude to my fellow teammates: Bernard To ('91), Alan Li ('93), Carl Wong ('93), and Dave Chik ('14). Without their genuine contribution, the mentorship program could not have walked so far. We would also like to thank Mr. KK Lee, the career master of WYK, for his suggestions to our various events.

Social Service Unit

Tom Ho ('81) and KK Cheung ('81) have represented the WYKPSA to serve in the Wah Yan Social Service Community as committee members during the year 2023/24. The Community is aimed to help the minority ethnic groups, mainly the students from the two schools Caritas Tuen Mun Marden Foundation Secondary School and Islamic Kasim Tuet Memorial College, to integrate into the society. Various programmes have been carried out during the year, including Latte Art Class, distribution of blissful bags and home visit to the elderly in Sam Shui Po during the Chinese New Year and day camp at Pak Tam Chun Holiday Camp.

Article Review Committee

As the Articles of Association ("A&A") has not been updated for a while, it was resolved at the Exco meeting held on 12th October 2023 to appoint Sam Yu ('83) to work with our Legal Advisor, Raymond Siu ('96) to review and make all necessary changes in the A&A reflecting the latest updates as required due to the latest legislation as well as the Association's needs. In addition, as advised by the School management, the A&A should reflect the details related to the School Alumni Manager election that is held in 2024. Therefore, the A&A was subsequently amended and the changes were tabled at the Extraordinary General Meeting held on 22nd March 2024 and adopted.

Other Events

1. Spring Dinner

The Spring Gala 2024 was successfully held on 23 February 2024 with around 200 participants at K11 Club One, including more than 20 Jesuits Fathers and teachers. A surplus of more than \$10,000 was recorded by the sales of souvenirs during the dinner. The venue of Spring Dinner was changed from Yue Cuisine (粵品匯) to K11 Club One due the overwhelming response. We would like to thank everyone for joining and supporting the Spring Dinner. In addition, special thanks to Joseph Wong ('75) and Ivan Han (WYHK) for sponsoring all the wine for the dinner.

2. Wah Yan International Reunion/International Conference

Carl Wong ('93) is the convenor on behalf of the WYKPSA for the organizing of the 2024 Wah Yan International Reunion/International Conference, one of the important events for Wah Yan alumni around the globe to meet up, exchange ideas and foster bonding. This year's event will be held from December 18-20, 2024, culminating in the centenary celebration of Wah Yan College, Kowloon.

This year's programme for the 2024 event features updates from both schools, the Students' Associations, the Past Students' Associations, overseas chapters and more. To make the event extra exciting, we are dedicating one day for an exclusive tours and company visit. Campus tours will also be arranged for participants to see the latest developments in both schools up close.

3. Election of School Alumni Manager

Under the current ordinance, the Incorporated Management Committee (IMC) of Wah Yan College Kowloon comprises an alumni representative, the so-called "Alumni School Manager". The WYKPSA had been recognized by the IMC as the only alumni association for the purpose of nominating alumni manager. Pursuant to the resolutions passed at the WYKPSA Annual General Meeting 2010, the Alumni Manager shall be elected based on the principle of universal suffrage.

The school had received feedback from the EDB in December 2023 on the Alumni Manager election. The article review committee of WYKPSA had proposed an article amendment in March 2024 to satisfy the requirement suggested by the EDB and the amendment was adopted and approved in the EGM on 22nd March 2024.

The election of Alumni Manager 2024 was started in April 2024, and only one valid registration had been received by the Returning Officer of WYKPSA by the deadline of election registration, which is filed by Kung Chun Hung, Ronnie ('86).

According to the election regulation, in the event that there is only one eligible candidate to run for the election, that candidate will be automatically elected as Alumni Manager. The election result has been formally endorsed by the WYKPSA Executive Committee during the ordinary meeting on 16 May 2024.

4. Student Ambassador Scheme

Starting from 1991, the WYKPSA would select a Student Ambassador to be the bridge of the WYKPSA and current students and promoting good relationship between overseas alumni chapter and PSA in Hong Kong. In general, the Student Ambassador will visit the overseas chapter in summer each year. The overseas visit was stopped for 4 years since 2020 due to the COVID-19 pandemic. After discussion with the WYHKPSA and several overseas chapters, the overseas visit for Student Ambassador will resume in 2024 to the UK chapters in London.

Starting from 2017, the Student Ambassador Scheme was opened for application to all S.5 students. With the assistance of our School, we had interviewed five candidates in November 2023. Leung Kwan Yiu Ryan from Class 5Y had been appointed as the Student Ambassador for the Student Ambassador Scheme 2024.

The object is to enable each Wahyanite to excel in his unique way God has intended. The next event is a Guinness World Record Creation Campaign due to be held on 2 November at Wah Yan College, Kowloon. We will break the record by creating a "100" figure using 10,000 scarfs.
